The carbon footprint (CO<sub>2</sub>e) covers the full product life cycle, cradle-to-grave. Calculations follow the Product Environmental Footprint (PEF) methodology.

#### DISCLAIMER

Please note: These calculations use MÅLBAR's tool and depend on available input data. Where data is missing, conservative estimates are applied. For our full disclaimer, [click here](#).

## Quality and environment

At Ocee & Four Design, we care about sustainability. We strive to reduce our impact by producing quality furniture in a sustainable manner. Find out more about our journey on [Oceeandfour.com](https://oceeandfour.com)

#### COMPANY CERTIFICATIONS

ISO 9001  
ISO 14001  
Forest Stewardship Council® (FSC®) Chain of Custody (License Code: FSC-C161956)  
FISP Full Membership

#### WARRANTY

We stand behind the quality and durability of our products. That's why we are

pleased to offer a warranty of 5, 10, or 25 years, depending on the specific product.

These warranty's cover breakage and damage of products occurring because of deficient craftsmanship performance under normal use. The warranty shall lapse if the product shows signs of mishandling abuse or other physical damage. The warranty does not cover those parts of the product which are exposed to abrasion during use.

For full details on the warranty period applicable to your product, along with terms and conditions, please

refer to our extended [Warranty brochure](#)

#### INSTRUCTIONS

Assembly instructions can be found at our website.

#### MAINTENANCE

Refer to our [Maintenance Guide](#)

#### DISASSEMBLY & RECYCLING

Products should be disassembled and separated into their components and materials before recycling. Most products can be disassembled using hand tools. Metal parts are commonly recycled. Powder coated frames are treated with a

paint classified as not dangerous according to directive 1999/45/EF. Wood can either be recycled or incinerated. Plastic shells can be recycled. Upholstery and veneer shells are not recyclable but can be disposed of through incineration. Processes for recycling vary so check with your waste management organisation.

#### TAKE BACK SCHEME

Extend the life of your furniture! If you're in the UK, explore our [Take Back Scheme](#) to dispose of your used items in a sustainable way.
