

DELTA45 - STORAGE

WE CREATE TEAMS

DENCON

Storage creates order and provides an overview. In our world, the design of storage is also about simplicity and minimalism. We work with varying heights and arrangements of Delta45 storage to create eased and ergonomic work procedures, and to give the furniture more functionality. This way, the storage provides space for focus or serves as a natural base for a standing conversation.

Unique selling points

- Many design options to make a very personal storage solution
- Unique DNA with the flattering cut in the corners
- Danish production
- 10 years warranty and a very high quality
